01 PROFILE

Computer Science and Engineering graduate with over two years of experience in cybersecurity, software testing, and IT support. At GM IT Institute, I conducted security assessments and trained over 700 students. I now support UK-based IT operations and project delivery at PEN Global. I have also executed 60+ software test cases and conducted 15+ cybersecurity seminars.

02 PROFESSIONAL EXPERIENCE

Tech Support

1 Jul 2026 — Present

PEN Global

- Manage UK-based IT operations, maintain systems, and resolve technical issues.
- Coordinate technical teams and stakeholders on sprints, portal enhancements, and support tasks.
- Support project delivery through technical analysis and issue resolution.

Cyber Security Specialist & IT Instructor

2 May 2024 — 30 Jun 2026

GM IT Institute

- Executed 60+ software test cases across software projects.
- Conducted 8+ security assessments and penetration tests to identify vulnerabilities.
- Trained more than 700 cybersecurity students and conducted 15+ seminars.

03 SELECTED PROJECTS

Securewave · Web Security Dashboard

GitHub ↗

HTML · JavaScript

Developed a lightweight web security prototype focused on DDoS, unauthorized access, and malicious attacks. Published the source code on GitHub.

HacknFix Quiz · Secure Exam Portal

GitHub ↗

Online quizzes and assessments

Developed a secure exam portal with a simple workflow to organize and deliver online assessments.

04 TECHNICAL SKILLS

Cybersecurity
Vulnerability assessment, penetration testing, web application security testing, security assessments

Testing & Security Tools
Burp Suite, OWASP ZAP, Selenium, Appium, Postman, JMeter, Zephyr, JIRA

Networking & Systems
Computer networking, Mikrotik routing, Cisco networking, Linux administration, Docker, IT troubleshooting

Programming & Automation
Python, JavaScript, Bash scripting, system automation

Web & App Technologies
HTML5, Tailwind CSS, Bootstrap, Flutter

Development Tools
GitHub, VS Code

05 EDUCATION

BSc in Computer Science and Engineering

2024

University of Science and Technology Chittagong (USTC) · CGPA 3.36/4.00

Higher Secondary School Certificate

2019

Hazera Tuju Degree College, Chittagong · GPA 4.08/5.00

Secondary School Certificate

2017

Collegiate School, Chittagong · GPA 5.00/5.00

06 PUBLICATIONS

EffiNet-Insect: A System for Agricultural Insect Identification Using EfficientNet

IEEE Xplore · Published 11 Jun 2026

View publication ↗

Smartphone-Based Blood Cancer Classification Leveraging MobileNet Architecture
